

Meeting Notes:

Creative Director: Danny Aguirre

Designer: Claire K.

Landing Page-

- First landing page of Kanye's face would fade into the second one with the menu
- Adjust the first landing page to have Kanye's face on the left (Like the cut-off version)

Fashion-

- Add blurb describing Kanye's fashion lines
- Add title below the image that is a link

Achievements-

- Could have images with blurbs about each achievement

Random-

- Change to Kanye font on landing page when hovering over the links in the menu bars
